

Caterpillars learning

What a busy month for the caterpillars!

Our learning has been based on four key nursery rhymes; Twinkle twinkle, Humpty dumpty, Incy wincy spider and the Wheels on the bus. We have been printing stars, building walls and knocking them down, driving the bus and drawing our own spiders. We've been playing some listening games such as matching the sounds to the correct farm animals.

Well done to all our caterpillars!

Butterflies learning

Such a busy month in Butterflies. Learning has been based around 'all about me' including talking about our own likes and dislikes, our families, our homes and our 5 senses. Our books have been Elmer and Owl babies - two of our favourites. Children have been busy mark making and counting, playing listening games with instruments and everyday sounds and making new friends as new children join our school. We've been learning the school rules and trying hard to join in lots of new play activities. Brilliant Butterflies!

September Superstars!

- ♦ Maja - so brave staying for lunch.
- ♦ Amalia - making new friends.
- ♦ Bernard -so much talking!
- ♦ Isla Mae - joining in new things every day
- ♦ Afran - leaving mummy and joining in

We are impressed with such a fantastic start to this year.
Keep up your brilliant work.

Keep children safe!

Always close the gate behind you!

For your diary:

Half term week
school closed from
Monday 24th until
Monday 31st
October

What's coming up in October?

Friday October 7th - World smile day
We will be talking about feeling happy and how to look after our teeth

Week beginning Monday 17th
October:

Harvest collection for St Paul's pantry foodbank—can you spare a tin?

Monday 17th October
