

### Caterpillars learning

In Caterpillars class we are learning about food! We've had a teddy bears picnic, making our own sandwiches and feeding the bears. We've been feeling musical—singing every day and playing our tap sticks thinking about instructions such as fast, slow, loud and quiet. We have enjoyed a lots of messy play with paint, sand water and playdough!

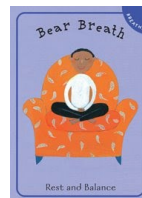

Welcome to our school:  
Steven  
Anya  
And Mrs Bedford - our new member of staff!

### Butterflies learning

Butterflies class have been enjoying a wide range of stories linked to the Bookstart Storytime project. We've been talking about our feelings and trying yoga, and singing "5 little monsters" and joining in monster actions. We've had lots of fun playing in the bakery roleplay area and we had a visit from Mark at the RSPCA talking to us about animals and how to care for them. Next week we'll be voting for our favourite book of this half term!

Next week :
