

Caterpillars learning

Caterpillars class love animals!

We've been re-telling the story of Dear Zoo and painting our own tall giraffe. We looked after cuddly pets in our home roleplay area and have been naming and matching wild animals too. Now we're talking about farm animals and singing Old MacDonald had a farm... E I E I O!

Welcome to our school:

Butterflies learning

Butterflies class have been huffing and puffing to tell the story of the Three little pigs. We've been building walls and houses in roleplay and testing materials to see how strong they are. We've been painting with detail to create pigs and wolves.

Butterflies class have been working hard on independent skills with many children now using the toilet and putting on their own coats! Brilliant!

Online safety for young children

We know children love to play on phones and tablets but...please check the content which your children see.

Quick safety questions...

- Do you have parental controls on?
- Are the games and websites appropriate for their age?
- Are inappropriate adverts popping up?
