

Caterpillars learning

We are back for summer term and welcoming some new friends into our caterpillars class.

We've been learning about transport and road safety singing "Stop, look and listen before you cross the road!" We've been talking about driving the car or bus and where we could be going - we go shopping a lot!! We are trying hard to improve our hand eye coordination with lots of mark making tools

If your child has been offered a primary school place you need to accept the place before **30th April.**

Welcome to our school:

Felisha
Shane
Thomas
Amelia
Gilo
Adarsh
Dominik

Butterflies learning

Butterflies class have been talking about family celebrations as some of our friends tell how they celebrate at Eid. We've been talking about food and presents! How exciting!

During "Beep! beep! Road safety day" Butterflies class have been thinking how to cross the road safely and they've been out of school crossing over and making sure to "Stop! Look and Listen!"

April Superstars!

- Afran - telling us about Eid
- Amelia - settling into nursery so confidently
- Larry - super sorting
- Franmerlinho - so kind!
- Papula - roleplaying doctors with lots of friends
- Zeano - a good friend to everyone! ★
-

If your child is absent please ring 01270 560319 and leave a message.

Holiday dates

School closes on
Friday 24th May
until
Tuesday 4th June

Safety for our children

Please ensure the gate is firmly closed behind you if you arrive or leave during the school day.

Do not park on the yellow zig-zag markings at the front of school -

even for one minute!
It's a safety zone and you may receive a fine.
