

Caterpillars learning

Caterpillars class had lots of fun with our pumpkin activities in October. We've been playing outside, catching rain drops and finding lots of leaves, spiders and worms. Inside, we've been making magic potions with our water play! We've been singing Incy wincy spider, 5 currant buns and twinkle twinkle little star as part of World Nursery rhyme week and we are learning to cross the road safely. Stop! Look! Listen!

What's coming up at Westminster?

It will soon be time for Christmas fun – dates for your diary are

Stay and play
Christmas crafts on
Tuesday 10th
November at
10.45am or
2.45 pm

Christmas songs
performance and
learning journeys
time on Tuesday
17th December at
10.45 or 2.45pm

Christmas party for
children on
December 19th
during usual hours.

Butterflies learning

The children in Butterflies class were excited to learn about Diwali—the festival of lights and talk about fireworks. We made yummy sweets called ladoos and used clay to make a lamp. In World Nursery Rhyme week we sang (a lot!) and learned a new song 'The big ship sails on the alley, alley o' and played with the pirate ship. We are learning about crossing the road safely and wearing bright, reflective clothing at night to keep up safe.

Stop! Look! Listen!

November Superstars!

- Nicolas - playing with others in a group game
- Noah - joining in football sessions
- Shane - naming shapes and colours
- Felisha - building towers
- Frankie - so polite and kind
- Yoshia - using the potty, brilliant!
- Korina - what an artist!

For safety:
Please do not
park on the
yellow
zig zags!

Welcome to
our school:

Zakariya

Rebecca

Mrs Clark will be starting her maternity leave soon and we can't wait to hear all about her new arrival during December!

Thankyou for your support at our cake sale for Children in Need. Together we raised over £100 for a great charity.

Thankyou!
