

Caterpillars learning

Caterpillars class had lots of fun! We have been playing with dolls in our roleplay house and dressing up every day too. We have been learning our colours, painting and colour mixing and making beautiful rainbows.

Lots of us have made visits to big Butterflies class ready for moving up in January. We have made lots of Christmas crafts too and enjoyed singing and dancing!

Butterflies learning

The children in Butterflies have been so busy!

We've been learning about sizes, comparing objects and sorting them. We have been painting, mark making and telling lots of stories and rhymes.

We've really enjoyed decorating our huge Christmas tree, playing and dressing up at Santa's sleigh and making cards and baubles. We have been learning how to play party games such as musical statues and musical chairs too.

What's coming up at Westminster?

Christmas songs performance and learning journeys time on Tuesday 17th December at 10.45 or 2.45pm

Christmas party for children on December 19th during usual hours (children only not for Parents)

School closes for Christmas break on Friday 20th December and reopens on Monday 6th January.

Merry Christmas!

December Superstars!

- Rachel - beautiful singing
- Larry - using the bathroom by himself
- Amelia - a lovely friend to everyone
- Emilia - brilliant listening at group time
- Thomas - expert builder with lego!

We are proud of you all!

Mrs Clark had a beautiful baby boy, George, on December 11th.

Congratulations to the Clark family!

A message from the Governors

Governors have enjoyed observing a range of activities this term; you may have met them at our Stay and Play sessions. Our big project this term has been the improvement of our outdoor area. Governors found that staff and children "love the new layout" of the refurbished playground and praised the Kixx football sessions, noting that it is "impressive and inclusive", with children "responding so positively to the Coach".
